## GLASS-LIGHT BENCH

USING WINDSOR GLASS'S GLASS-LIGHT  
INNOVATION TO CREATE OUTSIDE LIGHTING

The product can be used outside due to the special glass panel which gives a glow across the whole GLASS-LIGHT panel. The light can be used to light up, light down or both. The glass panel is laminated so it is designed to be robust and safe in use.

Created as a standard product GLASS-LIGHT BENCH can be made to bespoke sizes if required.

GLASS-LIGHT is not limited to benches, tables and garden features can be created whether for external or interior use.
